ATMA Fund Raising Campaign

ATMA Foundation has started the Annual Fund raising Campaign on Give India Fundraisers, as part of the Give India Fundraising Challenge, GFC 2022.

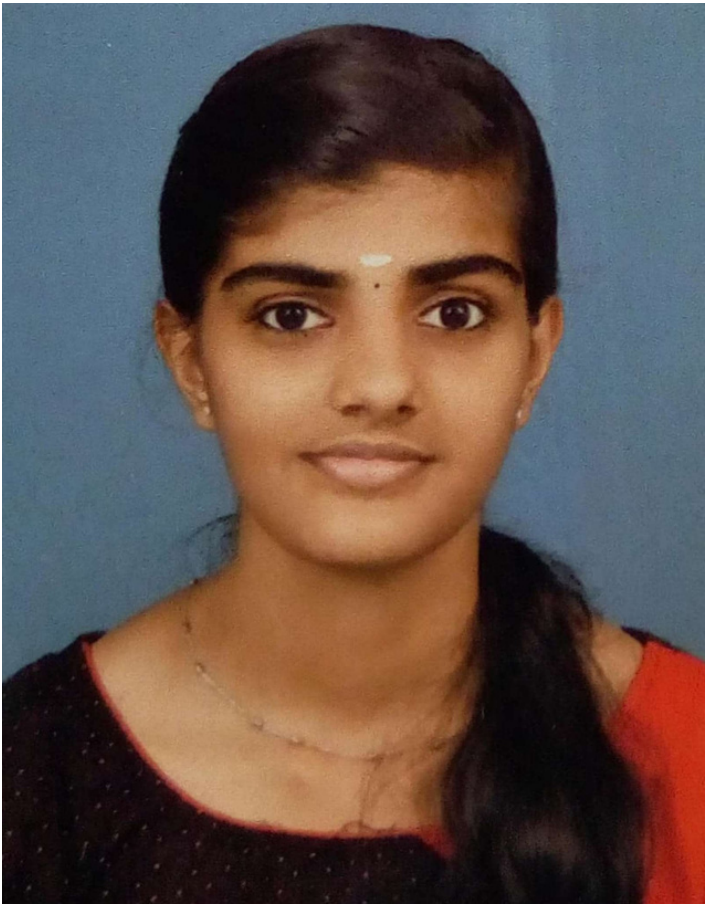

In February 2022, over 300 plus supporters have contributed to ATMA through this portal. 37 ATMA Volunteers have started fundraisers of their own, to support various projects.

We have one more month of GFC 2022. If we put in our full efforts, we can definitely reach the mega rewards club, which would enable ATMA to get very attractive matching rewards of upto 25% from Give India too.

DO SUPPORT US!

You can make a donation yourself, and also start a fundraiser to share with your friends & family, encouraging them to donate for a cause close to their heart.
