FOUNDER'S MESSAGE

Salutations!

November had been an active month for ATMA! The inauguration of ATMA SPC (Service Providing Centre under the Protection of Women from Domestic Violence Act) is an important landmark in the ATMA story.

The Centre, under the Ministry of Women and Child Development, will assist women suffering from domestic violence at different levels. We have also started the Family counselling Centre at the new premises at Palakkal. Another important event was the flag off ceremony of the 'Travelling Classroom' of the ATMA DAFEC, held with our honourable district collector as the chief guest. Everything is getting back to the normal. Our efforts to involve more volunteers and giving them more responsibilities are also working out well.

My personal appeal to all my good friends is 'Be Aggressively Good!!! Contribute more!

Let us do more.. together..

Love

C K Suresh
